

Keep your farm safe Don't let them in

PROPERTY MARKING

There are a number of different ways to mark your property:

- **VISIBLE MARKERS**—Permanent marker pens / Waterproof paint / Stencils / Engraving.
- **INVISIBLE MARKER**—UV Pens / Specialised forensic kits (SmartWater, SelectaDNA, Red Web).
- You can put any mark on your property to distinguish it from other similar items.
- It is recommended that you put your postcode prefixed with the number of your address.
- This allows the goods to be identified and returned to you.
- It is strongly recommended that you take a photo of all your valuables.
- Make a note of any distinguishing marks, including where and how you have marked your property.
- If your property is stolen you will have as much information as possible to give to the Police and pass to retailers to help locate your property.

If you see a crime in progress or there is a threat to life, always dial 999.
