

Keep your farm safe Don't let them in

RURAL ARSON

- Hay and straw should be removed from fields as soon as possible after harvesting
- Hay and straw should be stored:
 - separately from other buildings, particularly those housing fuels, agrochemicals and machinery
 - in stacks of a reasonable size, spaced at least 10 metres apart
 - separately from livestock housing
- Petrol, diesel and other fuels should be stored in secure areas and storage tank outlets should be padlocked.
- Fertilisers and pesticides should be kept under lock and key.
- Rubbish should be disposed of safely and on a regular basis.
- A quick and simple survey will identify areas where an arsonist could strike.
- Do not allow the lighting of open fires or BBQs.
- Ensure cigarettes are extinguished carefully.
- Only allow camping and picnicking in selected areas.
- Provide litter bins for bottles and other rubbish and empty them regularly.
- Regularly check and maintain open water supplies for firefighting.
- Ensure 'Fire Danger' warning signs are in place.
