

# Riding Establishment - Livery Yard Supplement 2020/21

An ABRS Riding Establishment that wishes also to be listed as a Livery Yard will need to pay a one-off membership supplement. This covers the provision of an ABRS Livery Yard Plaque and listing as a Livery Yard on both the ABRS and Livery List websites. In subsequent years, membership renewal as a Riding Establishment will include Livery Yard membership.

## MEMBERSHIP SUPPLEMENT

**Livery Yard Supplement 2020-21**

**£20.00**

## ACCREDITATION AS A LIVERY YARD

Riding Establishments, provided the application for Livery Yard membership meets the ABRS' core requirements, will be accredited as a Livery Yard without the need for additional verification. This means that, once the application is approved, they may use the description '**Approved Livery Yard**'.
