

## What documents are we likely to need from you?

As part of the membership process, we will ask for some documents from you. These will evidence that you comply with legislation, regulations or good practice. We will not list you or allow you to use our logo until we have the evidence that we require and you have achieved the '**Certified**' status.

You can join the ABRS even if you do yet have everything in place to be '**Certified**'. You will have access to the resources and advisors to help you generate the evidence we required. We are here to help.

We will want the following documents:

- Health and Safety Risk Assessment
- Fire Safety Plan
- Public Liability Insurance
- Care, Custody and Control Insurance if you provide livery services
- Employers Liability Insurance if you employ staff
- Map of Livery Yard
- Photographs of Livery Yard Facilities and Service
- Details of your Human Welfare Officer and their training/certificates if Safeguarding is applicable
- Details of your Safeguarding Policy if Safeguarding is applicable
