

## What are the membership categories?

Livery Yards joining the ABRS will be initially listed as a '**Certified Livery Yard**'. This means that you will have self-certified that you will comply with our Code of Conduct and have provided evidence of insurance, health and safety arrangements and safeguarding procedures (where these are necessary).

Once a Livery Yard is certified, you can request an accreditation visit. A member of our Advisory Team will visit your Yard to verify the information provided to the ABRS during the application process and confirm that you are complying with our Code of Conduct. Following a successful accreditation visit, you will be listed as an '**Approved Livery Yard**'. To retain the 'Approved' category, a repeat visit will be required every 3 years or if there is a substantial change in facilities and services.

If you have joined the ABRS but do not yet have everything in place to be '**Certified**', please do not worry. We will not list you or allow you to use our logo until you have achieved the '**Certified**' status, but you will have access to our resources and advisors. We want to help you and enable you.
